Price:

35.00 \$

I have several auto cleaning items, two oil filters, one air filter, spark plugs, all new. Details are shown in pictures, take all of them, or take nothing. The whole collection is worth probably \$70 to \$80, but I will part ways with them to a good, caring, loving garage of an auto enthusiast for \$35. No negotiation, no back and forth emailing. Serious emails ONLY.
